Key Commercial Interior Projects

Crafted with a Signature 'Trending Touch'

This portfolio highlights a curated collection of commercial interior projects I have designed across Hyderabad, each tailored to the unique identity and function of the brand. From hospitality and retail to health-focused outlets and corporate environments, every space has been thoughtfully conceptualized and executed with my signature ***Trending Touch***—a blend of modern sensibility & contemporary cultural influence, and practical design.

Each project reflects a deep understanding of the client's vision, customer experience, and spatial efficiency—translating into interiors that not only look good but feel right. Whether it's the earthy warmth of a health store, the buzz of a dosa joint, or the polished atmosphere of a corporate office, I aim to deliver environments that elevate both experience and brand presence.

Panchakattu Dosa – Multi-Location Interior Design

Hyderabad | 4 Locations | South Indian Culinary Experience

Designed with a Trending Touch: Panchakattu Dosa, a rapidly growing South Indian fast-casual brand in Hyderabad, entrusted me with the interior design of all four of its outlets — located in Banjara Hills, Madhapur, Kondapur, and Pragathi Nagar. Each space was uniquely tailored to its locality while maintaining a cohesive visual identity across all branches.

My signature ***Trending Touch*** approach blended traditional South Indian aesthetics with contemporary design language, resulting in inviting, vibrant spaces that enhance the overall dining experience. The interiors feature open kitchen concepts, thoughtfully planned seating layouts, rustic textures paired with bold accents, and modern lighting to create a warm yet energetic atmosphere.

With a focus on brand storytelling, spatial efficiency, and customer comfort, the design celebrates the rich culinary heritage of South India while offering a modern, memorable environment across all locations.

Raasta Cafe – Themed Lounge Design

Hyderabad | Youth-Centric Cafe

Designed with a Trending Touch: Raasta Café was designed to be a vibrant and expressive space—perfect for Hyderabad's young crowd. With bold colors, neon signs, and urban graffiti-style wall art, the ambiance brings together chill vibes with creative energy. I designed flexible seating options to support both individual guests and larger groups, while ensuring flow for live performances and events. My *Trending Touch* style is visible in the use of textures, lighting layers, and statement decor—creating an Instagram-worthy environment that encourages repeat visits and social buzz.

Highlights:

Bold, urban-inspired designs that engage the youth demographic

- Versatile seating to accommodate groups and events
- Dynamic lighting effects and interactive art pieces for a lively atmosphere
- High-energy branding through vibrant murals and custom installations

Forest Nation – Corporate Office

Designed with a Trending Touch: Forest Nation is a groundbreaking eco-luxury development that redefines modern living with a commitment to sustainability and nature. The design concept focuses on blending bioclimatic architecture with high-end interiors, creating a space where comfort, luxury, and environmental consciousness coexist. My *Trending Touch* approach ensured the interiors maintained a seamless balance of contemporary aesthetics with nature-inspired elements, reflecting the brand's vision of harmony between luxury and sustainability.

Highlights:

- **Eco-Friendly Design:** Thoughtful use of sustainable materials like bamboo, stone, and recycled wood
- **Bioclimatic Architecture:** Maximizing natural ventilation and energy efficiency through intelligent design
- **Natural Connection:** Integration of private forest areas and green spaces into the home environment
- **Modern Luxury:** Contemporary design elements that provide both aesthetic appeal and functional comfort
- **Tranquil Living:** Designed to create a peaceful retreat that fosters well-being and relaxation

VIJETHA
Fresh Healthy Living

Vijetha Supermarket – Interior Rebranding

Hyderabad | Retail Chain Refresh

Designed with a Trending Touch: For Vijetha, a well-known retail brand, I led a complete interior rebranding to modernize and streamline the customer journey. The layout was reimagined for fluid navigation, enhanced product visibility, and a more engaging shopping experience. Clean aisle designs, brighter ambient lighting, and modular shelving were introduced to maximize efficiency without compromising on aesthetics. Branding was subtly infused into different departments to ensure visual consistency across sections. The goal was to make daily shopping feel elevated, easy, and inviting.

Highlights:

- Smart layout with clean aisles designed for a seamless shopping experience
- Bright lighting that highlights key product sections
- Modular shelving and branding that reflects the freshness and modernity of the store
- Subtle signage placement for effortless navigation and customer satisfaction

Subhoja
Flavours of Tradition

Subhoja – Boutique Fine Dining Restaurant

Hyderabad | Classy South Indian Dining

Designed with a Trending Touch: Subhoja required a setting that balanced luxury with cultural richness. I designed a fine dining experience that honored South Indian heritage through carefully chosen textures, warm lighting, and traditional motifs—infused with a modern twist. The space was layered with gold-accented decor, polished surfaces, and bespoke furniture that encouraged intimate dining experiences. My *Trending Touch* design elevated the restaurant's ambiance, making it an inviting yet sophisticated space for guests seeking comfort, taste, and culture.

Highlights:

- Elegant and luxurious design with a mix of traditional South Indian motifs
- Warm lighting and custom-made furniture creating a refined dining atmosphere
- Gold accents and polished surfaces for an upscale dining experience
- Balance of culture and modernity to attract a premium clientele
- Spacious and flexible seating arrangements tailored for families, groups, and high-traffic hours
- Subtle incorporation of branding elements in furniture and wall decor for cohesive design

Pure-O-Natural – Flagship Outlet Design

Hyderabad | Modern Organic Concept

Designed with a Trending Touch: This flagship outlet of *Pure-O-Natural* was envisioned to reflect the brand's commitment to health, purity, and freshness. The design language focuses on clean lines, soft green tones, and eco-conscious materials—creating a refreshing environment for health-conscious customers. My *Trending Touch* approach included open display layouts for fresh produce, ample natural light, and a calming ambiance to complement the brand's organic philosophy. The use of wood textures, indoor plants, and minimalistic signage helped establish a space that feels both natural and modern.

Highlights:

- Minimalistic, eco-conscious design promoting freshness and health
- Clean, open displays for natural products to encourage discovery
- Use of wood textures and plants to create a soothing, organic atmosphere
- Thoughtful use of natural lighting to enhance the overall experience
